

INCLUSION SUPPORT MEETINGS

UPDATE AUGUST 2024

Aims of Inclusion Support Meetings:

- Offer an opportunity for professional development through peer support for staff from Funded Providers.
- Improve access to consultation with professionals for Funded Providers.
- Through the above, improve inclusion in Funded Providers through improving stage 1 and 2 planning and intervention.

SLT: Speech and Language Therapists

GEPS: Glasgow Educational Psychological Service

LEL: Leaders of Early Learning

EYSS: Early Years Support Service

WMM: Wee Minds Matter – Infant Mental Health Team

EY CBS: Early Years Customer and Business Support – to help with admin.

Peer Discussion and Support – 10 statements

"The advice and support from the rest of the group"

"The relationships we've developed through the meetings."

"Collaborative working approach to support and help one another."

Sharing Practice – 4 statements

"Sharing practice, learning new strategies,"

Impact on children – 3 statements

"I have been able to then share ideas, tools and discussion points with the staff team to help support all children."

Access to Partner Agency Support – 2 statements

"Just having support and having other professionals input on a variety of situations."

Signposting – 1 statement

"Support and direction to agencies that can help"

- Piloted in 2022/23 with a North and a South group.
- Expanded to NE, NW and South group last year.
- Running three groups again in 24-25. Open to new settings joining.
- Consistently high evaluations.
