

Rocketmole

Key fobs

Look at the front cover

- What can you see?
- What types of animal can you see?
- Can you think of anything you have read or seen with a mole in it before?
- Where do you think the story is set and why?
- What is your favourite thing about the front cover?

Rocketmole

Start at the beginning of the story

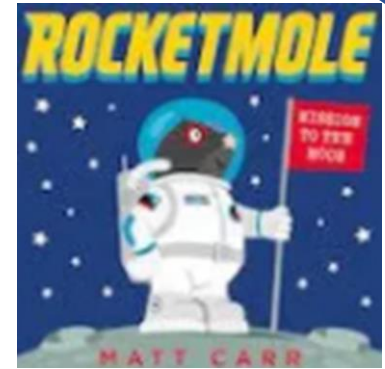

- What is the mole's name?
- Where does he live?
- Can you think of any other animals which live underground?
- What was his friend's name?
- Do you think he liked living underground? Why?
- Can you think of any good reasons and bad reasons about living underground?

Rocketmole

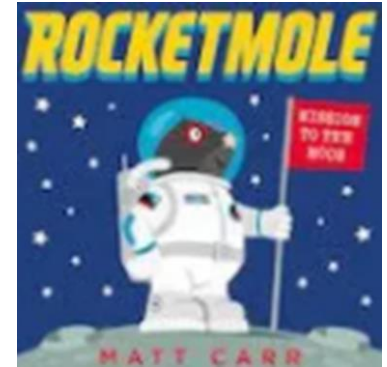

- What is a telescope?
- Armstrong is a mammal. Do you know of any other animals which are mammals?
- Which three things did Armstrong try to use to get to the moon?
- Armstrong eventually built a rocket. What does a rocket do? Have you ever seen or read about one before?
- Can you count down as Armstrong's rocket blasts off?

Rocketmole

- What do you think 'zero gravity' means?
- What things can you see floating around the rocket?
- How long did it take him to reach the moon?
- Did Armstrong like the moon? Why/why not?
- Why couldn't Armstrong eat his cheese sandwich?
- What did Armstrong's friends do?
- What was Armstrong's great idea?

Rocketmole

- What did Armstrong build?
- Where did they go on the adventure?
- Out of all the places Armstrong and his friends went, where would you like to go the most and why?
- Where in the world would you like to go on an adventure?
- Can you think of any words to describe Armstrong?
- Would you like to visit the moon? Why/why not?
