------------------------------------------------	---------------------------------------	---------------------------------------	----------------------------------	--------------------------------	----------------------------------

Please tick yes or no to these statements	Yes	No
Taking part has made a positive difference to my family		
I feel more confident in helping my child's learning		
I have spent more time having fun and learning together with my child		

Please tell us more
What activities did you try?
What differences do you think the activities have made?
What other activities/ support would you like to see now your child is in Primary 1 for your family?

Thank you
