

Families in Partnership Report 2022-2023

Some Numbers:

6497 Kits distributed to 236 Early Years Establishments. 33% returned full evaluations and 153 staff attended training. Year 3 of delivery, with 14 different languages represented. 11,700 YouTube Views.

OUTCOME 1

95% evidenced that **ALMOST ALL** relationships between parents, carers and staff were strengthened, thereby reinforcing family bonds and building on the home/nursery relationship.

What YOU
told us

Outcome 4

86% evidenced that **MOST** parents or carers showed a better understanding of nursery learning approaches and an increased confidence in their role in supporting their child's learning and development in getting ready for school.

OUTCOME 2

95% evidenced that **ALMOST ALL** experienced increased parental involvement at home or in the community.

Outcome 3

94% evidenced that **ALMOST ALL** children had opportunities to develop confidence and skills which enable them to make a positive transition to Primary One.

Outcome 5

13% evidenced that a **FEW** parents and carers were supported into further learning and support.

Some Extension Activities You Developed:

Book Creator used to make Family Journals, Family Scavenger Hunt in feeder primary school, Garden Family Fun Day with numeracy activities, giant 'I'm a Thistle' game in the playground using chalk, Family Teddy Bears picnic, Parent Storytelling in families first language.

Outcome 1

"It was nice to see parents relaxing and chatting with each other and staff. There was a sense of community and connection. Staff told me they loved seeing how the children interacted with their families" **Staff, Rockfield Nursery**

"My child feels more confident and I feel more attachment after spending more time with him"
Parent, Silverdale Nursery

Outcome Three

"It helped my daughter count and improved her pronunciation", "It made a huge difference because I have noticed my child's level of confidence and inquisition boosted astronomically" **Parents, Ruchill Family Centre.**

"When I went to my school, my teacher had The Everywhere Bear and I told her I have this story in my nursery and home". **Child, Ruchill Family Centre.**

"The activity sheets allowed my daughter to think about the items she will need to take to school and enabled us to have a discussion about it. She used the activity to plan her school morning routine" **Parent, Whiteinch Nursery**

Outcome 2

"The children displayed excitement anticipating what the 'The Everywhere Bear' would invite them to do. Book Creator was used around taking the bear home and a family journal was produced" **Staff, Treasure Trove Nursery.**

"The families sent photos and videos of them taking part in the activities at home and almost all children told us about the activities they had enjoyed" **Staff, Machrie Nursery**

What YOU said

Outcome 5

A few parents were signposted to Bookbug and other volunteering and adult learning opportunities.

Outcome 4

"It increased the bonding and relationship with my child. Most time mummy does the homework but this time I got involved and it helped me understand what he is learning"
Dad, St Roch's Childcare

"It would be beneficial to have an activity card which relates to feelings and emotions with starting school, as this year we have noticed an increase in children becoming anxious and apprehensive with starting school"
Staff, Limetree Nursery

Some Plans You Have For Building On This Project:

Family Maths Café, Families Connect, Travelling Teddy Bear, Parent Focus Group, Staff Transitions Group with Learning Community, Secondary pupils in technical department making claves for the rhymes.
