Tap and Tap

Hold a spoon in this hand,
Hold a spoon in that.
Put them both together,
Let them tap and tap.
Tap them to the ceiling,
Tap them to the ground.
Tap them right in front of you,
And then don't make a
sound.

Bumblebee, Bumblebee

Bumblebee, Bumblebee,
Tell me the colours you can
see.
Red and yellow,
Green and blue,
You choose me and I
choose you.
