

I'm a Thistle Get Me Out of Here!

Use your counting skills to help Thistle climb the ladder to reach the top.

How to Play

- The youngest player starts first.
- Roll the dice and count the dots. Can your child tell you the number without counting?
- You may need to help your child count the dots.
- e.g. if you roll a two move up the ladder two places.
- Take turns to roll the dice until one player reaches the top of the ladder.
- The person who reaches the top - number 10 is the **winner!**
