## September 2020

### Message from Head Teacher

Dear families,

We have now been back at school for almost a month. Aside from a few tweaks made at the start of term, everything has gone smoothly and as planned. I would like to extend my thanks to everyone across our school community for their continued support and understanding .

A rigorous hand-washing / sanitising schedule continues to be followed, with hands being cleaned after entering and before leaving the building.

I would like to take this opportunity to say thank you to Mrs Swan and the team at Whitehill Secondary for working closely with us, and changing their timetable to accommodate our staggered breaks and longer lunch period. We are grateful for their support.

I hope you find the information contained within this newsletter useful. If there is anything you would like to discuss, or something that I can help with, please do not hesitate to contact me.

In the meantime, stay safe and well, and thank you as always for your continued support.

Yours,

Iain Morrow  
Head Teacher

### Staffing

We have welcomed some new members of staff to Golfhill this term.

Miss Kelly and Miss Jackman have joined our teaching team, working in P4 and P5J respectively. They have already built up great relationships with their classes.

Miss Quay joins us in the office as an *Education Business Admin* Modern Apprentice. She has experience of supporting schools across the city, but please be kind as she gets to know our families and community.

Just before summer, an opportunity arose for us to appoint an Acting Principal Teacher to help support the running of the school, and develop key areas of the curriculum. A decision was made to split the role equally three ways, and we are delighted that Mr Hay, Miss Jamieson and Miss Cullen are now part of our Senior Leadership Team.

## Reminder of times

Just a reminder that our school day currently runs as follows...

P1, P2, P4 and P5J	08:45 – 14:45
P3, P5BD, P6, P7c and P7H	09:00 – 15:00

We hope, at some point, to get back to the same times for everyone, but cannot predict when this might be.

## Physical distancing

Could we kindly ask that adults remember to physically distance from each other when in the playground, respecting the health, safety and personal space of others. Please also refrain from standing within the boundary zone.

The wearing of face-coverings is not necessary when outdoors, but we appreciate some people may choose to do this.

There will be no unauthorised access to the school building before 08:45 and after 15:00, and no adults are currently permitted at all without an appointment, unless in an emergency.

## Wellbeing

We have pupils at Golfhill with nut allergies.

Please try to ensure that playtime snacks and packed lunches do not contain nuts. Thank you.

Please provide your child with at least one full water bottle each day.

Further to updated guidance, the water fountain cannot be used.

## Xpressions app

We would like to encourage all families to download the free *Groupcall Xpressions* app, which is available on smartphones and tablets.

The app gives families an easy way to get updates and information from the school, and all you need to use it is the email address you have registered with the school office. If you haven't already done this, just let us know your email address (we can only register one per family) and we can update our records.

Sending messages via Xpressions is free for the school, meaning it will save us money.

For your information, sending a regular text message to every family currently costs us around £5 every time, so you will understand why we are keen to promote use of the app!

## Outdoor learning

In line with national and local advice, we aim to get learners outdoors as much as possible. This will inevitably mean that pupils (and staff!) will be out in the rain, so please provide your child with a waterproof jacket and appropriate footwear.

The weather in Glasgow is unpredictable, so regardless of the forecast, we recommend coming prepared for all seasons. This message is being supported by the Glasgow City Parents Group.

## Attendance

Just a reminder that no-one should come into the school building if they, or anyone else in their household, display any of the symptoms associated with COVID-19:

- new and continuous cough
- fever or high temperature
- loss or change of taste/smell

Medical advice should be sought, and a test for COVID-19 may be recommended.

Other illnesses are still around, and the usual advice about these should still be followed. For example, in the event of sickness or diarrhoea, pupils should not attend for two days after the last bout.

Information about health-related matters can be found at: <https://www.nhsinform.scot/>

## Website

We have been working to improve the use and look of our website. Please check it regularly for updates.

The address is: <https://blogs.glowscotland.org.uk/gc/golfhill/>

Alternatively, you can use your phone's camera to scan this QR code to take you there directly.

Don't forget to follow us on Twitter too: @1Golfhill
