

## Supporting Improvement: **Standards and Quality Report**

This summary report is provided for families and partners to highlight our achievements in 2019/2020.

It also outlines our priorities for 2020/2021.

Improvement outcomes were identified following processes of self-evaluation, and a visit from HMIE.

# Our vision, values and aims

*Redesigned June 2019*

Golfhill Primary School cherishes its place at the heart of the Dennistoun community.

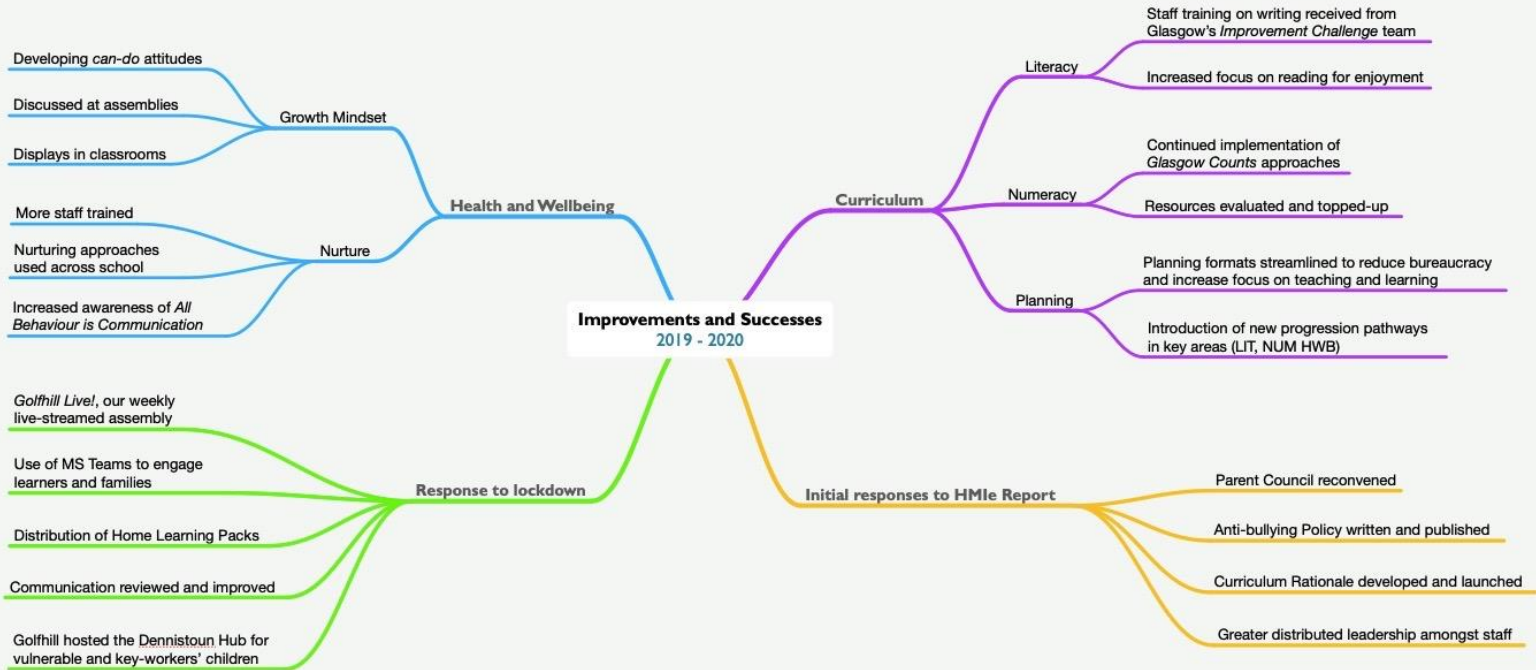

We celebrate our diversity and tolerance, and provide a welcoming and nurturing environment where everyone is accepted and supported.

Our aim is to develop resilient, responsible and creative citizens, who enjoy learning and embrace all the opportunities we provide.

**Respect**      You don't have to like me, agree with me, or enjoy the same things I do... but you do have to respect me.

**Equality**      Everyone is protected from discrimination, harassment and victimisation.

**Safe**            Everyone in our school deserves to feel free from danger or harm.
