### Visit from HMI / Education Scotland

As you may recall, last month we were visited by two inspectors from Education Scotland. This was a follow-up to the inspection which took place in November 2019.

A letter summarising their findings has now been published, and can be viewed in the *School documents* section of our website. Simply scan this QR code to be taken straight there:

We are delighted with how the visit went, and proud of all the progress made.

### Strike action

As you may have seen in the media, members of the Unison and GMB trade unions have voted to take strike action on Tuesday 29<sup>th</sup> and Wednesday 30<sup>th</sup> March.

Many of their members work within Education Services, in key supporting roles.

There is no information available yet about if or how this will affect schools being able to open, but as soon as we find out more, we will let you know.

### Whitehill Car Boot Sale

Our Parent Council will be hosting a stall at the Whitehill Car Boot Sale on Saturday 26<sup>th</sup> March, and need your help with the following...

#### Items to sell

- Children's books
- Toy and games in good condition

#### Rainbow hampers

They are also making up seven hampers, each with a different colour theme. These will be raffled at the car boot sale for £1 a ticket.

They are seeking donations of small items in the following colours...

Red Yellow Pink Green Orange Purple Blue

Everything can be handed in to the school office.

Thank you to everyone who has handed in items so far!

### Ongoing COVID guidance

Just a reminder that Scottish Government guidance still requires the wearing of masks on school grounds (i.e. at drop-off and pick-up).

Now that we have returned to everyone starting at 08:45, it is now possible to use both gates on Onslow Drive in the mornings.

Please be aware that Whitehill pupils may be playing football on their side of the playground, so if crossing through, extreme caution is advised. This is something we have no control over.
