

# Supporting Improvement: **Standards and Quality Report**

This summary report is provided for families and partners to highlight our achievements in 2021/2022.

It also outlines our priorities for 2022/2023.

Improvement outcomes were identified following self-evaluation, consultation with families, a visit from HMIE, and wider GCC priorities.

Golfhill Primary School cherishes its place at the heart of the Dennistoun community.

We celebrate our diversity and tolerance, and provide a welcoming and nurturing environment where everyone is accepted and supported.

Our aim is to develop resilient, responsible and creative citizens, who enjoy learning and embrace all the opportunities we provide.
