

Attendance Survey

March 2023

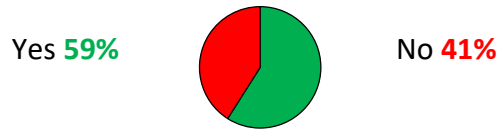

68 responses, equating to
59% of our families

1) Are you aware of your own child(ren)'s attendance levels at school?

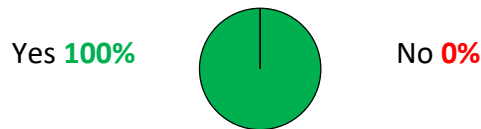

2) Have the average attendance figures for each class surprised you?

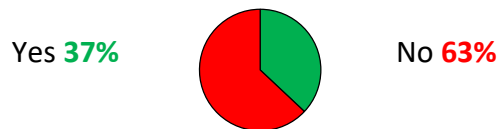

3) Are you aware of the school's expectations in relation to attendance?

4) Are you aware of the negative impact of poor attendance on children?

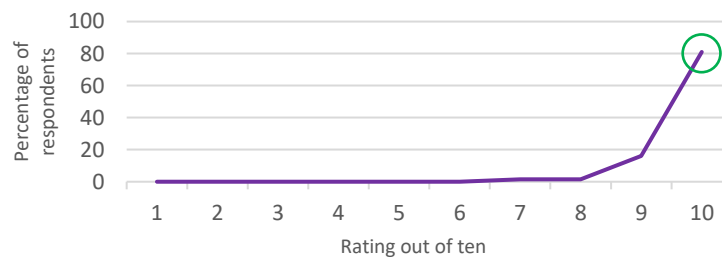

5) Has the COVID-19 pandemic changed your opinion on the importance of attending school?

6) On a scale of 1 – 10, how important to you and your family is good attendance at school?

1 = not important at all
10 = very important

Only **81%** of respondents gave the importance of good attendance a score of 10 out of 10.

7) What do you feel are the main barriers to attending school and being on time?

Being sick / ill **55 votes** Transport **5 votes** Money issues **5 votes** Lack of interest **3 votes**

School hours **2 votes** Weather **8 votes** Uniform **0 votes** Additional needs **14 votes**

Other: Medical appointments Family / domestic circumstances Lack of car parking

Time management Anxiety / stress Distance Don't value education

8) Is there anything the school could do to support your child's attendance?

- Making children aware of the importance of high attendance
- Incentives to attend
- Increased communication
- Medical support
- After-school care
- Encouraging children to come to school earlier
