

Supporting Improvement: **Standards and Quality Report**

This summary report is provided for families and partners to highlight our achievements in 2022/2023.

It also outlines our priorities for 2023/2024.

Improvement outcomes were identified following self-evaluation, consultation with families, and wider GCC priorities.

Golfhill Primary School cherishes its place at the heart of the Dennistoun community.

We celebrate our diversity and tolerance, and provide a welcoming and nurturing environment where everyone is accepted and supported.

Our aim is to develop resilient, responsible and creative citizens, who enjoy learning and embrace all the opportunities we provide.

School Improvement Priorities

2023 – 2024

Glasgow City Council's Education Services have created a set of five *challenges*, to which schools should align their improvement priorities.

- Achievement and Progress
- Connected Learning
- Engagement, Participation and Inclusion
- Networked Learning Organisation
- Wellbeing and Learning

Within the *challenges*, schools are tasked with then devising missions which will move the school forward.

At Golfhill, we have selected three of these challenges, as follows...

Challenge 1 Engagement, Participation and Inclusion

Mission To improve attendance

Challenge 2 Achievement and Progress

Mission To improve literacy skills, specifically writing

Challenge 3 Networked Learning Organisation

Mission To further develop approaches to inclusion (ASN and nurture) through collaboration
