

Parent's Council news

What have we been up to?

The Christmas Fayre was a roaring success, raising around £300 from teas and coffees, various Christmas crafts, as well as the teddy tombola and who knew the plant stall would be so popular? 'My Child's Art' Christmas pictures were made into all sorts from mugs to magnets to buy in various forms. We received over £80 commission from the sales.

A huge thank you to everyone who helped out at the Christmas Fayre, whether you were selling, donating or spending.

In December 2023 the parent council contributed financially towards the whole school Panto trip which the children loved and would love to do that again and are looking at how we can help the school to make this happen.

What is coming up?

- At the most recent Parent Council meeting we heard very sobering details about the cuts across Glasgow to the education budget which will span the next 3 years. We will be in touch with you about what action we, as parents can take to share our concerns about how the cuts will impact on our children's education. Look out for flyers and letters after the Easter holidays.
- The Parent Council will be doing teas and coffees at the summer sports day in June.
- We are looking at various sources of funding for the school.
- Look out for our new web address.

NO MORE EDUCATION CUTS

LET OUR KIDS FLOURISH

In the current financial climate, we are mindful not to put pressure on families with lots of fundraising activities, so are thinking about out how to focus our fundraising to benefit the children most. We are working on getting our own website and will share the details of the new web address in the next few weeks. We are always keen to have more active members of the parent council, whatever your skills or talents are, we can use your help. As always fundraising and activity ideas always welcome.
