INFO

This booklet is to inform you about an important event taking place at Whitehill Secondary School —Primary 7 Secondary Transition Days. These days are specifically designed to facilitate a smooth and successful transition from primary to secondary school for your child.

It is an opportunity for your child to experience a typical day in a secondary school setting. They will have the chance to explore the school, meet teachers, interact with fellow students, and get a glimpse into the various subjects and extracurricular activities available at Whitehill.

This event is an integral part of our comprehensive transition program, aimed at ensuring a seamless shift from primary to secondary education. We understand that this transition can be both exciting and daunting, and we want to provide your child with the best possible start to their secondary school journey.

We believe that participation in the Primary 7 Secondary Transition Days will help your child become familiar with the new environment, ease any anxieties they may have, and foster a sense of confidence as they embark on their Whitehill journey.

If you have any questions about anything in this booklet or in relation to your young person's transition from primary to secondary then please contact Ms Donaldson - jdonaldson@whitehill-sec.glasgow.sch.uk
