Tempo

Religious and moral education

This term, we will be learning about the following:

Cultural

International Day of Peace

A range of religious and cultural events are discussed at our weekly assemblies. We use these opportunities to reflect on our values, and celebrate the diversity of our community.

Science / Social Subjects

Our interdisciplinary learning (**IDL**) theme for this term is:

How to be environmentally friendly using transport

We will be studying:

We will be looking at different types of transport options, along with their uses and the impact which they have on the environment.

Technologies

Technology is embedded across the curriculum, but we will be developing specific skills and knowledge in:

Presentation

Evolution of technology

Other useful information:

PE days are Thursday and Friday
