Music

Religious and moral education

This term, we will be learning about the following:

Seasonal

Islam

A range of religious and cultural events are discussed at our weekly assemblies. We use these opportunities to reflect on our values, and celebrate the diversity of our community.

Science / Social Subjects

Our interdisciplinary learning (**IDL**) theme for this term is:

Building Bridges

We will be studying:

We will be learning all about bridges. We will be learning the different purposes of bridges and the different ways bridges are designed and built. We will also learn how the designing and building process has changed through history.

Technologies

Technology is embedded across the curriculum, but we will be developing specific skills and knowledge in:

Collaboration

Presentation

Other useful information:

PE days are Monday, Tuesday and Thursday.
