Religious and moral education

This term, we will be learning about the following:

Christianity

Christmas

A range of religious and cultural events are discussed at our weekly assemblies. We use these opportunities to reflect on our values, and celebrate the diversity of our community.

Science / Social Subjects

Our interdisciplinary learning (**IDL**) theme for this term is:

Seasons

We will be studying:

The class will be learning about the four seasons and the changes that come about during them. They will be exploring the science behind this, and how water freezes and melts in winter.

Technologies

Technology is embedded across the curriculum, but we will be developing specific skills and knowledge in:

Digital tools

Other useful information:

PE days are Tuesdays.
