Primary 3

Term 3
Spring 2026

Schools across Scotland follow the *Curriculum for Excellence*, which is divided into eight broad curriculum areas.

The curriculum is divided in to different levels →

Pupils in Nursery and P1 generally work within the *Early* level

Pupils in P2, P3 and P4 generally work within the *First* level

Pupils in P5, P6 and P7 generally work within the *Second* level

Literacy and English

The class will be reading:

Group texts
StoryWorlds

Our **Reading** focus will be:

Selecting information	Identifying fact or opinion
Finding information	Evaluative questions

The text-type for our **Writing** focus will be:

Description	Narrative
-------------	-----------

We will be looking at features including:

Conjunctions	Punctuation (basic)
Adjectives	Vocabulary (uplevelling)

In **Listening and talking**, we will be developing:

Contributing to discussions	Retelling stories or events
Presenting	Asking questions

Numeracy and mathematics

Our work in **Numeracy** will include:

Multiplication	Division
Money (coins and notes)	Measure (length)

Our work in **Mathematics** will include:

Multiples	Patterns (numbers)
-----------	--------------------

Health and wellbeing

In **PE**, we will be developing our skills in:

Ball games	Teamwork
------------	----------

Other aspects of **HWB** we will look at include:

Healthy eating	RSHP
----------------	------

Expressive Arts

The **expressive arts** are woven across the curriculum.

Art and design

Modelling
Painting
No dance this term

Dance

Drama

Scripted piece
Role play
Singing

Music

Religious and moral education

This term, we will be learning about the following:

Christianity
Seasonal

A range of religious and cultural events are discussed at our weekly assemblies. We use these opportunities to reflect on our values, and celebrate the diversity of our community.

Science / Social Subjects

Our interdisciplinary learning (**IDL**) theme for this term is:

Glasgow

We will be studying:

Aspects of creativity in Glasgow - Glaswegian inventors and artists. We will create our own inventions to solve a design problem. We will also learn about the Glasgow Mural Trail (the artworks and their backgrounds).

Technologies

Technology is embedded across the curriculum, but we will be developing specific skills and knowledge in:

Computational thinking	Planning
------------------------	----------

Other useful information:

PE days are Monday and Tuesday

Student teacher Miss Gosling here on 10-week placement
