Tempo

Religious and moral education

This term, we will be learning about the following:

Cultural

Differences around the world

A range of religious and cultural events are discussed at our weekly assemblies. We use these opportunities to reflect on our values, and celebrate the diversity of our community.

Science / Social Subjects

Our interdisciplinary learning (**IDL**) theme for this term is:

World Cup

We will be studying: Countries and their cultures

With the upcoming World Cup the class will look at the cultures (food, sport, language) of some of the countries who are playing this Summer.

Technologies

Technology is embedded across the curriculum, but we will be developing specific skills and knowledge in:

Digital tools

Coding

Use of iPad
