Primary 7

Term 1
Autumn 2026

Schools across Scotland follow the *Curriculum for Excellence*, which is divided into eight broad curriculum areas.

The curriculum is divided in to different levels →

Pupils in Nursery and P1 generally work within the *Early* level

Pupils in P2, P3 and P4 generally work within the *First* level

Pupils in P5, P6 and P7 generally work within the *Second* level

Literacy and English

The class will be reading:

Class novel

Wonder by RJ Palacio

Our **Reading** focus will be:

Comprehension

Literal questions

Inferential questions

Evaluative questions

The text-type for our **Writing** focus will be:

Procedure

We will be looking at features including:

Presentation

Sequencing

Synonyms

In **Listening and talking**, we will be developing:

Pace and tone

Answering questions

Respectful listening

Taking turns

Numeracy and mathematics

Our work in **Numeracy** will include:

Place value (1,000,000+)

4 operations (+, -, x, ÷)

Time (analogue / digital)

Our work in **Mathematics** will include:

2D shape (complex criteria)

3D shape (complex criteria)

Multiples

Health and wellbeing

In **PE**, we will be developing our skills in:

Basketball

Golf

Other aspects of **HWB** we will look at include:

Healthy eating

Emotional wellbeing

Expressive Arts

The **expressive arts** are woven across the curriculum.

Art and design

History and appreciation

Dance

No dance this term

Drama

No drama this term

Music

No music this term

Religious and moral education

This term, we will be learning about the following:

Judaism

Sukkot

A range of religious and cultural events are discussed at our weekly assemblies. We use these opportunities to reflect on our values, and celebrate the diversity of our community.

Science / Social Subjects

Our interdisciplinary learning (**IDL**) theme for this term is:

Countries, Flags and Food

We will be studying:

Five countries, their flags and foods. Pupils will carry out research, create information sheets for each country and cook a variety of foods from the countries chosen to study.

Technologies

Technology is embedded across the curriculum, but we will be developing specific skills and knowledge in:

Research

Digital tools

Food preparation

Other useful information:

PE days are Monday and Thursday
