Our improvement plan priorities 2025 – 2026

Glasgow City Council's Education Services have created a set of five challenges, to which schools should align their improvement priorities.

- Achievement and Progress
- Connected Learning
- Engagement, Participation and Inclusion
- Networked Learning Organisation
- Wellbeing and Learning

Within the challenges, schools are tasked with devising missions to move things forward. At Haghill Park Primary School and Nursery Class, we have selected three of these challenges, as follows –

1. Improve pedagogy across all classes leading to improved attainment

- All teachers to engage in Differentiation module through the Collaborative Enquiry Process.
- Introduce PM Writing methodologies across the school.
- Staff at early level to work together to ensure consistent high quality practice and transfer of prior learning across Early Level. (Nursery and Primary 1)

2. Improve pupil leadership, participation and engagement with learning.

- Pupils and staff to engage in Leader in Me Core 2.
- To develop and implement a Family Learning Calendar.

3. To improve staff understanding of nurture to enhance children's wellbeing

- In the nursery class develop and deliver GCC Nurture Principles training for nursery staff from Education Psychologist.
- Nursery staff to engage in a variety of training opportunities throughout the year to identify development needs and next steps in learning relating to Nurture for staff.
