3. ‘This week in Science!’

Complete a research task on Wallace Hume Carothers, an American chemist and inventor born on 27<sup>th</sup> April 1896. Pupils can create a research poster or PowerPoint covering the following:

- What was he famous for?
- How was his invention used?
- How did his invention change the world?
- How did his most famous invention get its name?

**Please send us images of your experiments or presentation to our Twitter @HillheadScience or to Miss Ayton, on gw11aytonalyson@glow.ea.glasgow.sch.uk, stating the name of your Science teacher.**
