Support With Remote Learning

Dear Parent/Carer,

I hope you and your family are well. Thank you to all who completed last week's Parental Survey on Remote Learning. The survey closed on Wednesday afternoon and all of your feedback was collated and discussed with the leadership teams in school as well as with our Parent Council yesterday evening. All pupils have been asked to complete a survey on their experience of remote learning and it would be helpful if you could encourage them to complete it. The survey has been shared via year groups Teams pages and closes on Thursday morning. I will share more information later this week on other plans to support pupils and families with wellbeing as well as upcoming virtual Information Evenings, but for now wanted to inform you of a few practical steps that we are taking to support remote learning based on your feedback both through the survey and from phone discussions.

General resources

There are two trolleys with stationery resources (jotters, papers, pencils etc) and also sanitary towels at the school entrance each school day from 10.00am-2.00pm. If you need any resources, please take what you need -remember to bring along a bag. If you need resources but are unable to come to the school, please contact your child's Depute Head Teacher or Pastoral Care Teacher who will make arrangements for resources to be delivered to you.

Support for Learning resources

The Support for Learning department are putting together some bespoke resource packs for pupils and will contact pupils/parents individually to arrange pick up or delivery.

Remote Learning Support Guide

A support guide for parents and carers has been produced and will be attached to the email/ GroupCall along with this bulletin. It will also be added to our website and shared with pupils. Like everything at present, this guide is subject to regular review.

Supporting Your Child With Online Learning

We have arranged two online Information sessions for parents. Both will begin with a presentation on supporting your child get into a routine, tips for remote learning and then allow time for a Q&A session. Mr Brown will be present at both to answer any questions in relation to iPads and digital issues. As always we appreciate life is busy at present and there is
