Dear Parent / Carer,

Below you will find updates on a range of matters. As always, at the end of this bulletin you will find contact information for our Pupil Support Team and our Senior Leadership Team and if you have any concerns about your child's wellbeing or their learning, please do not hesitate to get in touch with them.

COVID-19

In line with Scottish Government Guidance face coverings must at be worn at all times (indoors) for staff and pupils in secondary schools, unless exempt. Please support the school by ensuring your child arrives at school with their own mask and a spare.

All young people are encouraged to do a Lateral Flow Test twice a week. Tests kits are issued every Friday period 5 to those with a consent form on file. Children under 16 are required to have their consent form signed by a parent or carer. Please encourage your child to do this twice a week and record their results online. Those who have a positive Lateral Flow Test must self-isolate and book a PCR test.

Parent/Carer Information Evenings

Over the next few weeks there will be a number of online information evenings for parents and carers. Like last session, these will take place on Teams and can be accessed via your child's iPad. Mr Neil will lead the ones for S4 & S5 and will cover information on expectations, courses, wider achievement and supports available at both. There will also be an opportunity to ask questions. The Pathways Evening is being arranged by Mr Richardson and will be open to all parents and carers. More information will be sent out via our school app and will also be in next week's bulletin.
