## WHO CAN HELP?

Many families don't get all the financial assistance and benefits they are entitled to. This may be because they are unaware of their entitlement, the rules are complex or because they have been wrongly refused.

If you are on a low income you may be able to get some help even if you haven't claimed before or if you think you won't qualify.

If a member of your family has a disability or long term health condition, or is an unpaid carer for someone, you may be able to get some extra help – for example

parents of disabled children can get disability benefits without taking into account their income.

If you have a low income or are affected by or have a child or young person affected by disability or ill health or feel you would like some additional information regarding your financial situation it may be worth speaking to the Financial Inclusion Support Officer (FISO).

The FISO is provided in partnership with the advice service Money Matters and can be reached as follows:

**Financial Inclusion Support Officer** **Nicola McCaskill**

**Phone** Money Matters **0141 648 2022** (open 09:00 – 17:00 Mon-Fri)
