Dear Parent/Carer

I hope you and your family had a lovely summer holiday. Our new S2 year group have had an excellent start and all the staff in school have praised them for their positive attitude and behaviour on their return. This letter is to share with you some of the procedures within the school that relate to the S2 pupils and some important dates you should be aware of. I would also like to share that I was married during the summer holidays and I am now known as Mrs Campbell Marzella.

School Uniform

Can I thank all parents who are supporting the school and encouraging your son/daughter to wear the school uniform. All pupils are expected to attend school in full school uniform every day. On days that your son/daughter has PE they should still come to school in their uniform as they are able to change into their PE kit in the PE department. PE kit worn can be shorts/leggings/joggie bottoms and a T-shirt/jumper. Pupils must change back into their school uniform before leaving the PE department. You can find out more about our school uniform here:

Assemblies

All S2 pupils will have a year group Assembly on a Tuesday morning in the Assembly Hall during Registration time, pupils should go directly to the Assembly Hall. During these Assemblies there will be a focus on our School Values and information shared on important events happening in the school. Pupils will also have the opportunity to ask questions and share their views on areas relating to the school and our local community.

Interval and Lunch Times

All pupils in Hillhead High stay in school during interval and are not permitted to leave the school gates during this time. Our canteen service is running at full capacity and provides both food and refreshments at this time. All pupils are allowed out into the community at lunch time however we encourage them use the school canteen as it provides a wide range of healthy choices suitable for all children. During the school year you will receive 4 Tracking Reports that will highlight any areas of strength and also areas in need of improvement in your child's progress that will help them prepare for their future learning. If you have any queries or would like to discuss your child's progress please do not hesitate to contact your son/daughter's Pastoral Care Teacher.
