Student Comments

“It’s not going to be scary coming up to College next year because I have already been here, I know where I’m going, I know what I’m doing.”

Emma Hughes, NQ Child, Health and Social Care

“If I hadn’t done the Senior Phase I wouldn’t be coming to College – I would never have thought about it, I would have tried to find a job or something.”

Ashton Murphy, National 5 Financial Services

“This is an opportunity to do something that focusses on what you can do in the future and opens your eyes to different career paths.”

Iona Reid, Up in the Air & On the Ground

Must demonstrate:

- Any extenuating circumstances
- Alternative Qualifications that we should be aware of
- School Reference

Must demonstrate:

- Understanding of the Profession
- Passion for that Profession
- Work Experience
- Community Work
- Volunteering

Top tips:

- Be personal
- Don't leave it to the last minute
- Just get started, words on the page, lists, mind maps
- Use positive language
- Ask friends and family for advice
- Don't be arrogant (or shy) - tell your story
- Use plain English – no clichés, no flowery language
- Make sure it is your own work – it will be checked
- Lots of drafts – rewrite and condense

PEPASS Modern Apprenticeship

Modern Apprentices deliver and support activity sessions during the school day and at extra-curricular lunchtime and after school clubs. They are supported by their allocated Active Schools Coordinator who acts as mentor in their designated areas across the city.

They play a vital role in supporting the events run locally by Active Schools in their communities. The Apprenticeship adds value to the core principle of the Active Schools Programme, to help make 'more pupils, more active, more often'.

Over the two years as a PEPASS Modern Apprentice, you will study to complete an SVQ Level Two Apprenticeship in Active Leisure, Learning and Wellbeing and will receive on the job training to build the skills needed to be a Sports and Activities Coach.

The image features several sets of teal-colored footprints scattered across the white background. Each footprint consists of a small, light teal circle (heel) and a larger, darker teal circle (forefoot). The footprints are arranged in a way that suggests movement from the top right towards the bottom left, with some footprints appearing as if they are just being made or are about to be made.
