

HILLHEAD HIGH SCHOOL

2023 EASTER REVISION

Easter Revision is an opportunity for S5 and S6 pupils to have their revision supported over the spring break.

As well as subject-specific input from a range of teachers, the school library is available for general, supervised revision.

A selection of snacks and resources will be available in the assembly hall and foyer respectively.

A huge thank you to teachers for putting on this comprehensive range of supports over the holidays.

Online revision classes

The eSgoil online timetable and registration details can be found here:

In-school revision classes
