

Dear Parent/Carer

I hope you and your family had a lovely summer holiday. Our new S2 year group have had an excellent start and all the staff in school have praised them for their positive attitude and behaviour on their return. This letter is to share with you some of the procedures within the school that relate to the S2 pupils and some important dates you should be aware of.

### **School Uniform**

Can I thank all parents who are supporting the school and encouraging your son/daughter to wear the school uniform. All pupils are expected to attend school in full school uniform every day. On days that your son/daughter has PE they should still come to school in their uniform as they are able to change into their PE kit in the PE department. PE kit worn can be shorts/leggings/joggie bottoms and a T-shirt/ jumper. Pupils must change back into their school uniform before leaving the PE department. You can find out more about our school uniform here:

<https://blogs.glowscotland.org.uk/gc/hillheadhigh/school-information/school-uniform>

### **Assemblies**

All S2 pupils will have a year group Assembly on a Tuesday morning in the Assembly Hall during Registration time, pupils should go directly to the Assembly Hall. During these Assemblies there will be a focus on our School Values, Hillhead Habits and information shared on important events happening in the school. Pupils will also have the opportunity to ask questions and share their views on areas relating to the school and our local community.

### **Interval and Lunch Times**

All pupils in Hillhead High stay in school during interval and are not permitted to leave the school gates during this time. Our canteen service provide both food and refreshments at this time. All pupils are allowed out into the community at lunch time however we encourage them use the school canteen as it provides a wide range of healthy choices suitable for all children.

### **Parents' Night**

The S2 Parent's Evening will take place on Tuesday 21st November 2023. Parents are invited to make appointments with their child's teachers as you will have the opportunity discuss in person how their son/daughter is progressing in their classes. Parents can make appointments nearer the time through Parent Booking, information on this process will be sent out before the Parents' Evening.

### **Tracking Reports**

During the school year you will receive Tracking Reports that will highlight areas of strength and also areas in need of improvement in your child's progress that will help them prepare for their future learning. If you have any queries or would like to discuss your child's progress please do not hesitate to contact your son/daughter's Pastoral Care Teacher.

If you have any further questions or would like to contact me directly please see my email below. I have also provided contact details for your child's Pastoral Care teacher. If you would like to discuss your child's progress in a particular subject area I have also provided Faculty Heads email addresses.

It is a delight to have your son/daughter with us this year and a pleasure to work with you to ensure they have the have the best educational experience at Hillhead High
