

Hillhead High School

Easter Revision 2024

Easter Study Revision

Easter Revision will take place from **Tuesday 2nd until Thursday 11th of April.**

This is an opportunity for S5 and S6 pupils to have their revision supported over the spring break.

As well as subject-specific input from a range of teachers, the school library is available for silent, general, supervised revision. In this booklet you will also find a range of online study support classes that pupils can access.

There will be a 30-minute break between the morning and afternoon sessions. The school canteen will be closed and as such pupils should bring a packed lunch, or money to purchase food from the local community.

N.B. school will be closed on Easter Monday (1st April) and on Friday 12th of April.

A huge thank you to teachers for putting on this comprehensive range of supports over the holidays.

Online Supported Study

E-sgoil are offering free online study support during the Easter break. Pupils can register here-
