## **S6 Update- Evidence Gathering and S6 Events**

Dear Parent / Carer,

This letter will provide an update on S6 Evidence Gathering, as well as a reminder about upcoming S6 events.

Term 3 is a very important stage in S6. During this time, pupils complete folios, portfolios and practical assessments in a number of subjects. These pieces of work can make up a significant part of their final grade. With the SQA exam diet beginning on **22<sup>nd</sup> April 2026**, it is essential that pupils continue to demonstrate our Hillhead Habits:

- **Learning Time** – *Maximising time in class*
- **Learning Quality** – *Engaging fully in all lessons*
- **Part of the Team** – *Working with staff and peers to achieve their best*

Your support in reinforcing these habits at home is greatly appreciated. These habits are of particular importance as S6 prepare to leave school and take their next steps in life. Many S6 pupils will start to receive conditional or unconditional offers from university or college which can have an impact on motivation and can also cause pupils to feel pressure. Remembering our Hillhead Habits and fully applying themselves in all their subjects regardless of any offers is the best way to ensure they are as prepared as possible for life after Hillhead High.

### **S6 Evidence Gathering**

The Evidence Gathering window gives pupils the chance to showcase what they know and experience formal assessment conditions, helping them prepare for the final exams in April. However, we recognise that your child is more than one assessment performance. Teachers use a wide range of evidence, including classwork, coursework, tests and Evidence Gathering, to build a full picture of progress. This allows them to give helpful feedback and set clear targets so pupils can continue to improve between now and the final exam diet. The S6 Evidence Gathering diet runs from **Monday 26th January to Friday 6th February**. Pupils are only expected to be in school on the days they have Evidence Gathering papers. They can access the school library for silent individual study during the day if they prefer.
