INTRODUCTION

This is the first of MANY amazing Hillpark newsletters! Keep an eye out for the newsletter to get updates on anything going on in the school and more!

MONTH IN REVIEW

This month the senior award ceremony took place. Another amazing year with great progress, well done to all award winners - especially Mohammed Ahmed our Dux! As well as, our joint Proxim Accessists, Caleb Reid and Matthew McQuillan

2023 Freshers Fair took place in where students came along to explore and sign up for all the new and past clubs and activities on offer this year. Overall a very exciting event where everyone got involved, made new friends, and had fun.

The S2 Interhouse Football Competition took place! Well done to everyone Involved. Special shout-out to MERRICK for their win!

Prom committees fundraising has started early this year! Their first one being guess how many sweets are in the jar. Shoutout to the winners, Miss Sweeney and Mr Mahmood. Beat the goalie was also a huge success, thanks to everyone who took part.

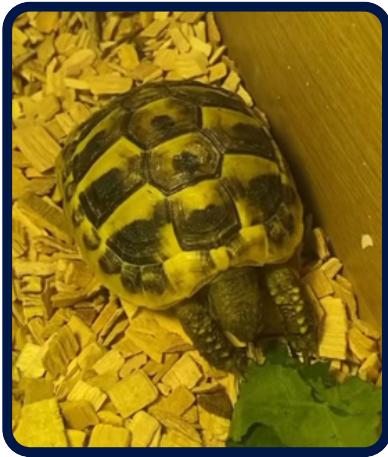

The month concluded with the S3 Aspire Cohort which was a series of events that lasted over two weeks. This included 'The Cube' group challenge, Growth Mindset session, Team Quiz, Global citizenship Session and an Escape Room challenge.
