

IMPORTANT – PHOTO PERMISSION - CHANGES

Wednesday 28th August 2019

Dear Parent,

Our school photographers will be in school on Thursday 12th September 2019. Please note, we are using a different company to the one used last year and previously. This year, the service and products will be provided by Tempest. They will be taking individual and family group photographs.

All schools have been issued with updated privacy and security guidelines which require us to obtain specific permission for these photographs. Please note, this means **that your child WILL NOT have their photograph taken on this day, if they have not returned a correctly completed slip** giving your permission. This is different to our usual arrangements.

Please complete and return the attached permission slip, before **Friday 6th September 2019** to ensure your child has their photograph taken, and you receive proofs.

As the service from Tempest is new to us, we would welcome any feedback on the quality of your experience.

Best Regards,

K. Chambers
