

Hyndland Primary School

Eco Warrior Application Form

For terms 3 and 4, a total of 15 new Eco Warriors will be recruited. One child will be chosen from each P1-7 class. Our meetings are usually on Monday lunchtimes from 12:15-13:00 in Mrs Batista's classroom.

Eco Warrior - The Job Description

As Eco Warriors we work towards Hyndland Primary becoming an Eco School. We do this by encouraging people to recycle more and by developing the Sustainable Development goals. We try to encourage everyone in our school community to re-use and help teach them how to create less waste. Over the last year we have raised money to buy recycling bins for every classroom and we now hope to get some more for the playground. For our next project, the Eco Group would love to develop our playground, by using recycled materials, to make it more interesting and fun. We would also like to get started on the refurbishment of the bug hotel.

Eco Warriors - How to apply

Please fill in the application form overleaf and gain permission from your parent/carer to become an Eco Warrior. If you have already been an Eco Warrior then you cannot apply, this gives everyone a fair chance to be selected.

Once completed, return the application form to Mrs Batista by lunchtime on Monday the 16th of December, no late applications will be accepted. Selected candidates will be asked to come along to a short interview and sharing session after the holidays with Mrs Batista and the current Eco Warriors from your class.

We look forward to reading your application!

Mrs Batista and the Hyndland Primary Eco Warriors

Eco Warriors - Application Form

Please complete the questions below to apply for a position as an Eco Warrior.

Name	
Class	

Why do you want to become an Eco Warrior?

Give an example of something that you are responsible for either at home or school?

How could we as the Eco Group encourage the other people within our school and surrounding area to be more environmentally friendly?

What ideas do you have to share with us to improve our schools sustainability?

Do you have any additional responsibilities in school such as a buddy, JRSO, Digital Leader, Rights Respecting Schools, Literacy Ambassador, Play Activator, Riverside representative or house captain?

I give permission for my son/daughter to become a Eco Warrior if selected.

I give my permission for my son/daughter to be photographed for the school website and Twitter as part of the Eco Group.
