DIGITAL LEADERSHIP

The success of our Digital Learning Strategy is dependant on teachers and pupils having the correct skill. We recognise that the most effective way to do this is for teachers and pupils learning from each other. All schools have a nominated DLOL to lead on digital developments in school. Most schools also pupils who are teaching other pupils and teaching teachers.

WHAT HAS HAPPENED SO FAR?

Apple TV installed in most classrooms

All teaching staff have their own iPad

Staff training sessions

Improved Wi-Fi connectivity

All of these changes over the past year
to allow us to implement the
programme

CONNECTED LEARNING P1-5

1 iPad per 5 children

Charging stations in school

Each class will have a quota of 1 iPad/case per 5 children, some may have a 1:6 ratio.

Charging stations will be located in school to charge iPads overnight
Nominated children to return iPads at the end of the school day and collect in the morning.

Pupil learning agreement handed out and available on website.

CONNECTED LEARNING P6-7

1 iPad each with charger

P6&7 children will receive their own iPad, case and chargers.

They will be responsible for both of them.

They can take them home if they have signed the pupil ipad agreement form.

BEYOND PRIMARY SCHOOL

- ▶ iPads will be returned to the primary school
- ▶ Children will receive a new iPad at secondary
- ▶ If your child leaves then school then their iPad must be returned

1 iPad each with charger

P6 children will transfer their iPad into P7 and the old p7 iPads will become P6 new ones.

If a child joins or leaves the school, please ensure you inform class teacher asap or collect the iPad in with the resources from the leaving child.

PUPIL RESPONSIBILITY

- ▶ Look after my iPad carefully at all times and always store my iPad in its supplied case when not in use, and store it in an appropriate school bag when outside my class.
- ▶ Immediately report any technical problems, damage, loss or theft to **your class teacher**.
- ▶ Charge up my iPad every night and bring both the iPad and the supplied charger into school every day unless told otherwise. iPads should be charged fully at the start of each day.
- ▶ Only take my iPad out in class or in a secure environment such as my home. Never take my iPad out in the playground, when walking between classes or when travelling to and from school unless directed to do so by a member of staff.
- ▶ Only use my iPad in lessons when instructed to by my teacher and close it or put it away when my teacher says so. Only use programs on my iPad that my teacher has agreed I can use in the lesson.
- ▶ Never share my pin code with **anyone**.
- ▶ Present my iPad for a check whenever I am asked to do so by a member of staff. If I have forgotten my iPad – I must bring it in the next day to show it hasn't been lost or stolen. Failure to do so will result in a communication home.
- ▶ Only use my iPad to take photos, record audio or video clips for learning purposes with the knowledge and agreement of everyone involved, this includes children and adults.
- ▶ Only share content with others when explicitly asked to do so by a member of staff.
- ▶ Never access inappropriate content on my iPad or attempt to bypass any of the security features.
- ▶ Never remove any asset tags or security markings from my iPad.
- ▶ Not graffiti the iPad – this includes drawings and stickers on the case.
- ▶ Ensure that all work stored on the iPad is regularly backed up.

agreement

PARENT RESPONSIBILITY

- ▶ Ensure that my child cares for and respects their iPad.
- ▶ Immediately report any loss or theft which happens out of school to **your class teacher**.
- ▶ Ensure that the iPad is used solely by the child that the school has given it to.
- ▶ Ensure that the iPad is returned to the school if your child leaves the school, or at any other time upon the request of a member of staff.
- ▶ Monitor my child's use of the iPad on the Internet at home, to ensure that only appropriate websites are accessed - the same filtering will apply as in school.

agreement

SCHOOL RESPONSIBILITY

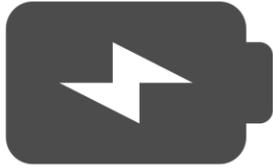

- ▶ Provide pupils with an iPad and access to a range of e-Learning resources.
- ▶ Give pupils an introduction to using and caring for the iPad. This will include a session on security, e-Safety, maintenance and health and safety.
- ▶ Provide pupils with a range of learning opportunities which make use of the iPad, both in school and at home.
- ▶ Provide parents/carers with ongoing advice to help them support their child's use of their iPad.
- ▶ Make sure that any repairs required on the iPads are communicated to our IT service provider to ensure they are dealt with as quickly and effectively as possible.
- ▶ Provide access to wireless internet provision within the school. Provision will be made during school opening hours to allow pupils to complete homework/carry out research using the internet if required. The school will not be responsible for any costs involved, nor content accessed, when the Internet is used out of school.
- ▶ Do regular checks on the condition of the iPads. If an iPad has been forgotten, this will be recorded.
- ▶ Issue questionnaires to pupils and parents/carers to help us in the ongoing evaluation of the iPads.

CHARGING COSTS

According to the *Charger Tariff Calculator*, it costs the average smartphone user only **0.3p** to charge their device, resulting in less than half a pence per charge.

That means if you keep your smartphone's battery charged up every day of the week, it will cost you a total of £1.09 for the full year
