Dear Parents/Carers

### **P6 Pupil Access to Digital Learning**

The Scottish Government have given Glasgow City Council funding which will enable our current P6 children to receive iPads through the Connected Learning Programme. As you may be aware this programme had been postponed during school closures, for Primary pupils, to allow the provision for all Glasgow Secondary senior pupils to access learning at home. We expect our P6 pupils to receive their iPads this session but unfortunately have not been given a time frame as of yet.

### **Access to Online Learning**

As we move into the winter months there may be occasions when children need to self-isolate. In order for learning to continue through the use of digital technology we need to gather information surrounding access to devices and internet connectivity.

Can you please complete the link to the survey below which requires a response if you do not have access to any of the following:

- Wi-Fi
- IT hardware- this includes; Laptop, Desktop PC or iPad/tablet

**Survey link: <https://bit.ly/2HqH7WB>**

A link to the survey can also be found on our school website and Twitter page. Please complete the survey by Wednesday the 30<sup>th</sup> of September.

Thank you for your continued support during these unprecedented times.

Helen S Brown
