

# Challenge Poverty

This week (5<sup>th</sup>-11<sup>th</sup> October) is Challenge Poverty Week in Scotland. In class, you will be learning about what poverty means and thinking about what we can all do to stop it in our country and our world.

Can you **make a pledge** (something you can say you will do to help)? **YOU** are the grown ups, politicians, lawyers, teachers, health workers, makers and entrepreneurs of the future. What are your ideas? How can you make a difference?

Draw and/or write about how you would help solve this problem.
