

Dear Families,

We apologise for the short notice, but life in school is even busier than usual at the moment. We wanted to mark and support BBC Children In Need this year, as we often do. However, we are mindful of trying not to create problems for families and also keeping to our vital mitigation measures to control any spread of COVID19 in school.

We are offering our young people the chance to support *Joe Wicks' 24 Hour PE Challenge*. We feel he was such a positive force for our pupils, teachers and families during Lockdown - helping to bring us together to learn in a very challenging situation. Joe has already started his epic effort to do his longest ever lesson - 24 hours. We will be checking in on him in school tomorrow.

- **pupils can wear sporty/ PE/ Pudsey themed clothing tomorrow (Friday 13th November 2020)**

Please **DO NOT GO OUT OF YOUR WAY TO BUY ANYTHING NEW** - it doesn't have to be this year's specific Pudsey merchandise

- **If pupils are timetabled for Outdoor Learning or PE tomorrow they will show their support by doing some of their favourite 'Joe Moves' for part of it. If they are not, they will log on in class and show their support for his challenge.**

Please note, we regret that we are not all able to join in with his session in class, as we must observe restrictions to indoor active/physical activity within class bases.

- **If families wish to donate in support of Joe's Challenge, they can do so by selecting 'Donate to a Specific Programme' using the following link. There may be other programmes you would rather donate to there.**

<https://donate.bbcchildreninneed.co.uk/>

We are unable to collect cash at this time, in school.

As always, there is no pressure to wear these clothes - if individuals prefer to wear their usual school clothing they can. And, please remember warm, waterproof outdoor clothing is still required too. It is to be a bit chilly and soggy tomorrow.

Thank you. (And thank you Joe! - from all at Hyndland Primary School!)
