

# P1 at Hyndland

The following slides are for you to share with your child(ren) in particular to give them a first glimpse of what Hyndland Primary looks like to a P1 pupil.

Remember that there are also video clips available on our school website too!

Welcome to Hyndland Primary

This is our Primary 1 Playground. We line up here in the morning and play here at breaks and lunchtime. Our parents/carers wait behind the orange cones.

There are always adults to help us go in and out of school.

We come in the P1 entrance and hang our jackets and bags in our cloakrooms next to the classrooms.

We then go into class together to start our day. We ALWAYS wash our hands first!

This is what a P1 classroom looks like – It's bright and colourful!

We love to learn and have fun!

This is the infant corridor where most of the P1 and P2 classes are.

There are lots of nice displays to look at of different things we have learned.

These are the boys' toilets

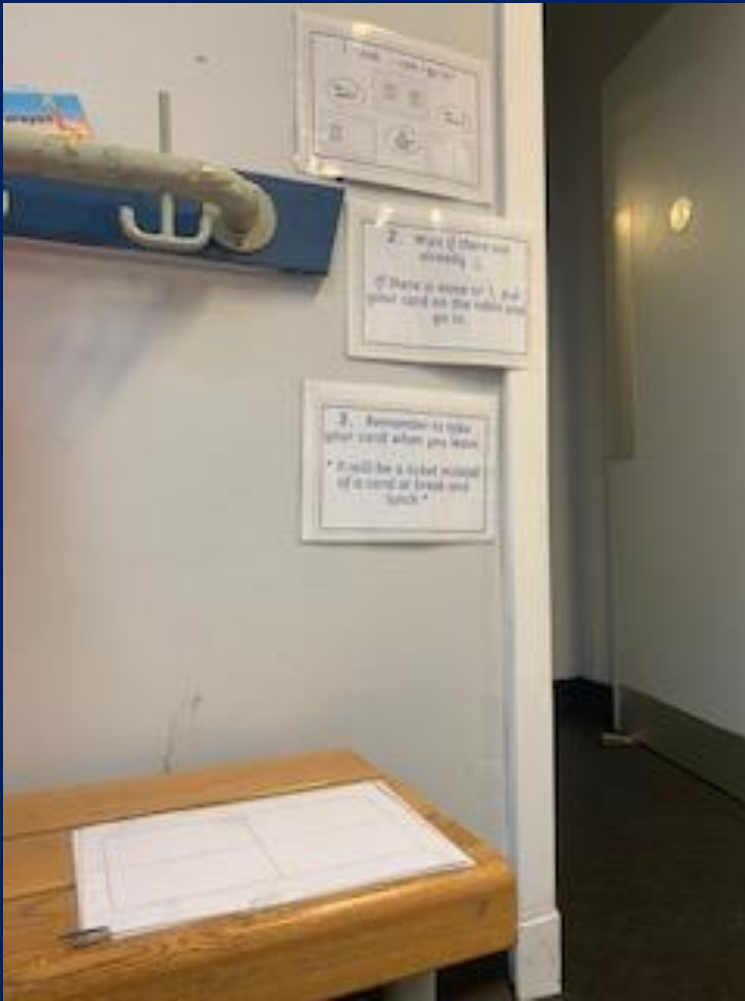

And these are the girls' toilets

When we go to the toilet we take a special ticket with us and leave it outside so people know we are inside.

Only 4 children can use the toilets at the same time.

We ALWAYS wash our hands after using the toilets

# Lunches

Each morning, we choose what type of lunch we are going to have.

This is the dinner hall. We have our lunch here each day. There are 4 dinner ladies who help us at lunchtime.

The dinner hall is also used for P.E. and assemblies.

This is the main hall. It is also used for P.E. and whole school assemblies. Some of our school clubs also happen here.

We are very lucky to also have a new MUGA. We play outdoor games and activities here.

Hyndland Primary is a  
great place to be. We  
hope you have  
enjoyed seeing some  
of our school in the  
pictures!
