Dear Parent/Carer,

Potential school closures due to industrial action – Wednesday 7 December 2022

It is with regret that I must once again write to you to inform you of potential partial school closures due to industrial action next week by a couple of unions – SSTA and NASUWT.

The impact of the strike on our primary, secondary and ASL schools will vary across the city and will mean that schools will take their own decisions on what they will be able to deliver depending on how many staff will report to work that day.

All our stand-alone nurseries and nursery classes will be open as normal.

Your child's school will be in direct contact with you to let you know what their bespoke plans are for the day – but you should be aware that it will mean that not all children and young people will be able to attend school.

I know that this uncertainty is not ideal and will mean that our families will potentially need to make alternative arrangements at short notice.

I also want to take this opportunity to thank you for your continued support and understanding during this difficult, ongoing set of circumstances.

We have also been notified of further action in the new year and will send out how this will affect Glasgow before the end of the school term.

We will continue to keep you informed as soon as we have any new information with updates on the Council's communication channels.

Yours sincerely

DOUGLAS HUTCHISON
Executive Director of Education
