Well done to all involved!

Good Luck to Charlotte and to our school on Thursday.

CONGRATULATIONS TO
CHARLOTTE MILLER & OUR
SCHOOL COMMUNITY ON
ON OUR SHORTLIST.

Hyndland Secondary School

HIGHLIGHTS FROM OUR BULLETIN

Communications received from local resident in italics I will put this on the year group teams:

We know this is only a minority of young people and we will focus on this area in the weekly litter pick. Please can everyone contribute to our Hyndland community by keeping it tidy and respect we have a special contribution to make, thank you.

Over the last few months there has been an increasing and excessive amount of littering being done by the pupils at the your school. The worst affected areas are the lane between Falkland street and Lauderdale gardens and the area from the end of the lane stretching along Falkland street to the Sainsbury's. The pupils walk by on their lunch and throw rubbish on the pavements, in bushes and into gardens.

I am aware Sainsbury's removed one of their bins because they were receiving complaints about it, so that has obviously made things worse.

Please could you take some action to highlight this issue to the pupils, your help would be greatly appreciated.
