### **We are now a SCQF Silver School!**

**Congratulations to Clare and our senior ambassadors who have led this journey. This means we have raised SCQF awareness among staff, pupils & parents, with some curriculum pathways developed. Please see below communications from Kamila Aitzhanova, Quality Officer, Scottish Credit and Qualifications Framework Partnership**

**“I confirm that all criteria have been addressed in your application, and we are happy to award Hyndland Secondary School Silver status - congratulations. I’ve attached a Silver Ambassador logo that you can use on the website/email footers etc”**

### **Congratulations!**

**Congratulations to Joanne Charters for running the London marathon yesterday, this is an incredible achievement and especially with a time of 3 hours 22 minutes. A personal best. Well done Joanne!**

**Next month Luke McGunnigle will be attempting a 100mile run on May 22nd to fundraise for Alzheimer's Scotland. An incredible effort. Here is the link to his page, Luke appreciates any donations big or small!**

## HIGHLIGHTS FROM OUR BULLETIN

### **Congratulations to S3 and thanks to Derek and Jenny!**

**Nicola Wright, HR Director at Drive Medical UK:**

*“We have been delighted to collaborate with Hyndland Secondary in Glasgow over the past few months, supporting 180 S3 students as they begin to explore their future pathways and the world of work. Working closely with Derek, Co-ordinator for Developing the Young Workforce (DYW), our Talent Acquisition Specialist, Jenny Geddes and Senior HR Business Partner, Gaynor Kitson, we initiated this partnership in March with a virtual employability session. This week, we followed up with an on-site visit, delivering a series of engaging workshops focused on building confidence, developing employability skills and preparing students for the next steps in their journey.*

*It was a privilege to spend time with such enthusiastic and engaged students, and we were warmly welcomed by both staff and pupils. The collaboration with Derek and the school team has been fantastic and we are proud to share our experience and expertise to support young people as they start planning for their futures. A huge thank you to Hyndland Secondary and Derek Montgomery for this opportunity and well done to Jenny and Gaynor for representing Drive Medical UK so positively.”*
