

**Ibrox Primary School & Nursery Class
Reporting to parents 2020/2021**

Term 3 - March 2021

Week beginning 29th March

- Head Teacher Video Report – Ibrox YouTube channel

- Class phone calls (10 minutes) – you will be given an appointment day and time when your child’s teacher will phone you to give you a report on engagement and learning during lockdown, their current progress and their next steps in learning. You will get the opportunity to ask questions.

Below confirms the day your child’s teacher will phone you. If you have more than one child in the school, class teachers will work together to make sure you do not have 2 phone calls at the same time!

Your call time will be between 9-3pm. Please contact the school office if you will be unable to take a call between 9-3 and we will give you an alternative time.

You will be sent the time for your phone call and the number the teacher will call you on (the last 3 digits) via your child’s Showbie and their email. We will alert you to look out for this information when it is sent out. It will be sent out by 19th March.

Interpreters will be arranged for those who need it – this will be a 3 way call.
