

Arrival and departure from school- August 2021

As we start this new session we are hopeful that we will be able to return to a more 'normal' way of working. For now, we are following guidance and advice from Glasgow City Council and the Scottish Government. This includes continuing to reduce congestion at drop off and pick up times. Please use the correct gate, as identified in photo, for your child when dropping them off and collecting them.

Please note

- All children can enter the playground from 8:45am
- P1, P1/2 and P2 will go straight to class, other children will go to class at 9am
- At the end of the day P1, P1/2 and P2 will be brought outside at 2:50pm, all other children will be dismissed at 3pm
