## We aim to transform lives through learning

We would like to give a warm welcome to all our new families who have recently joined us.

**We are learning about:** This month the children will be learning about festivals and celebrations such as Diwali, Guy Fawkes and St Andrews. They will also be learning about climate change and how we can recycle, reuse and help save our planet. The children will explore books, try new foods, develop their awareness of using technology and learn new songs relating to COP26.

**Students** - We would like to give a warm welcome to our HNC students Stephanie and Ayesha I am sure they will learn so much from our very experienced staff team at Ibrox Nursery. Stephanie will be on placement every Monday & Tuesday while Ayesha will attend every Thursday & Friday.

Please remember if your child or anyone in your family is unwell or showing any symptoms of Covid, please seek medical advice. It is important to keep the nursery informed too, if possible.

**If you are waiting for a test result you should stay at home and isolate until you have the result.**

**School Enrolment** - School enrolment will open on the 1st of November this should be completed online if you require any assistance please see Charlene.

**Collecting your child** - If no staff are in the playground when you drop off or come to collect your child please come to the school entrance and buzz the nursery. A member of staff will then assist you.

**Thank you** - Thank you for coming along to celebrate Maths Week and attending our Tea & Talk. It was really lovely to see you all and have the chance to chat about your children. We have an open door policy meaning you can talk to us at anytime regarding any queries, concerns or issues. This can be at the gate, by email or telephone or if you would like to chat face to face please let a member of staff know and we will arrange a suitable time to see you.

**Toy Fund:** Our weekly Toy Fund helps us to buy resources such as birthday books, party treats and items to make playdough to name a few. This contribution from parents is very much welcomed as it allows us to be able to buy resources to support children's learning. This can be paid weekly, fortnightly or monthly whichever is most helpful for you.

*We aim to make your child's nursery experience an excellent one!*

*Charlene & the team!*
