

The PI presents

Do you live in Govan
and have a child who is
neurodiverse?

Join Typically Diverse!

A new drama and arts project working with young people and families living with autism spectrum disorder and other neurodivergent conditions.

Work with our tutors using drama, music and movement to create a piece of theatre over 14 weeks.

When: Thursdays 5-6pm from 26th January 2023

Where: The Pearce Institute, Govan Road

How to sign up and get more info: email
