Super Treaters

Congratulations to our first term Supertreater winners. We had a lovely assembly celebrating their achievements, and we look forward to celebrating our term 2 winners soon.

What can you do to become the next SUPERTREATER?

Assemblies

The children come together twice a week (Monday and Friday) for whole school assemblies. During this time, we do many different things, such as sharing information about what is happening in the school, asking the children for their ideas and opinions on different aspects of school, celebrating achievements and birthdays and also giving the children the opportunity to find out about the learning that is happening in other classes. They are very busy gatherings!
