Congratulations to our first term Supertreater winners, Gurmann and Ava. We had a lovely assembly celebrating their achievements, and we look forward to celebrating our term 2 winners soon.

What can you do to become the next SUPERTREATER?

### Class Achievements

Well done to:

Gurveer for taking part in the cross country finals! 🏃🏻‍♂️🏆

Gurmann and Ava for being our P.7 super-treaters. I wonder who it will be next time? It could be you 🤔🤔

Hamaz & Gurmann for creating the winning design for our Badger's Pantry poster! 🏆

Rahda for her winning time-travel machine design ⌚

Well done to all of primary 7 for working to reduce food waste in our dinner hall.

### Assemblies

The children come together twice a week (Monday and Friday) for whole school assemblies. During this time, we do many different things, such as sharing information about what is happening in the school, asking the children for their ideas and opinions on different aspects of school, celebrating achievements and birthdays and also giving the children the opportunity to find out about the learning that is happening in other classes. They are very busy gatherings!
