31/5/23

Dear Parents, Carers and Friends of Ibrog Primary School and Nursery,

As always, the end of term is proving to be very busy. I have attached an updated "Dates for your diary" with some additions as well as a couple of changes. This newsletter also shares some of our achievements as well as information about some events that are coming up that parents are welcome to be involved in.

As always, thanks for your continued support.

*Fiona Young* Head Teacher

### Rights Respecting School Group

The Rights Respecting School Group are delighted to announce that we have received our **Bronze Award** and are already working towards our **Silver!**

To celebrate this achievement all children can wear their own clothes on Monday 5<sup>th</sup> June which we are calling

#### ***'Be Yourself Day.'***

This links with Article 8 'The right to an identity' so we hope all children will express themselves colourfully and confidently!

Thanks,

Miss Kennedy & The RRS group

## Sports Day

Sports Day will take place at the complex on **Friday 2nd June at 10am.**

Parents, carers, family and friends are welcome to attend. We would ask that you enter the complex via our school playground. Children / staff will be around to direct you, if required.

Children should come to school wearing their sports clothes. They should also have sun cream on and a bottle of water as the weather looks like it's going to be warm.

A big thanks to Mrs McLean and the Sports (PEPASS) Committee for organising this event. Thanks also to Mr Hemmingsley for helping out and to Ms Finlayson for overseeing this as well as Health Week.

## P1-6 Trip to Troon Beach - Wednesday 21st June

The bus for the trip will leave school at 9.30am & we will leave Troon beach, to return to Ibrox, at 1.30pm.

This trip will be **FREE** for all our children.

It will be a lovely way to end the school year. A wee play in the park and a paddle in the sea as well as games on the grass are what we'll all get up to when we're there. A picnic lunch and an ice-lolly will also be on the agenda! Here's hoping the sun shines for us although I am sure if it doesn't, it won't dampen our spirits!

We will require parent helpers however spaces are limited on the bus. If you would like to help on the trip please contact the school office and leave your name, your child's name and your child's class. If we have more helpers than we can take, names will be chosen via our electronic randomiser.

You have until Friday 9th June to let us know if you would like to help.

We will confirm on 12th June the parent helpers for the trip.

## ECO DAY

**Thursday 8th June**

**Morning** - whole school to the park for outdoor learning fun

**Afternoon** - event in the playground at 1.30pm. Parents/carers, family & friends are all very welcome to come along!

Thanks to Mrs Hanks, Ms Whitehead, the ECO committee and the Gardening/ Allotment Committee for organising this event.

## Your Body Matters Launch

I have just received a thank you email from Education HQ for hosting the event which they felt was a

**"huge success".**

Everyone who attended was so complimentary about our wee school. The children and staff shone, as I knew they would. I honestly couldn't have been prouder of everyone.

I want to thank ALL our staff & children, Mr Hemmingsley (Active Schools Coordinator) & Cassie (Active Schools Young Apprentice). A particular thanks to the janitors from Ibrox & Pirie Park - Mr G & Marc - for ensuring I got my wish on the day of having matching chairs!

#TeamIbrox

### Classes 23/24

We are still waiting on confirmation from the primary staffing team at HQ about our staffing for next session. We hope to be able to share this with parents/carers and children as soon as we have the details finalised.

Classes will be given the opportunity to "meet their new teacher" before the end of the term. I know everyone will be keen to find out this information, staff included, however I do not want to share this until I have all the information from the authority. I appreciate your understanding on this matter.
