08/03/24

Dear Parents, Carers and Friends of Ibrox Primary School and Nursery,

We are now heading towards the end of Term 3. It really has been a jam packed Term full of fun and learning! Despite the end of term being near, there are still more exciting things to come before we finish!

This week all our Primary 6s have been involved in a programme organised by Into University. It finished today with a "Graduation Ceremony" at Glasgow University. Well done to all involved. I would like to say well done to the P5s from P6/5 and the 7s from P7/6 who have been working together this week which is a change to their normal routine. They have coped exceptionally well so thanks must go to them.

As previously communicated we have Progress Meetings with your child's class teacher coming up. If you require an interpreter please complete the attached form

<https://forms.office.com/e/nVbtWSNJ2J>

The appointments with interpreters will not be on the 21st March, they will be on different day. This information will be communicated to you as required.

As always, thank you for your continued support.

Fiona Young

Eliminate Discrimination Week

This week has been organised as our JLT and school staff have become concerned with some of the behaviours and language being used by our children.

22/3/24

Children are invited to come to school dressed in clothes that are special to them which will allow us to celebrate our diverse school community.

The JLT would like to invite parents/carers/family and friends to the school at 1.45pm. On Friday 22nd March. You will have the chance to see the "Showcase of Learning" from each class which will be displayed on tables in the hall. You will also be able to take part in an information workshop about discrimination led by the JLT. There will also be the chance to give your views on our Anti-Bullying Policy, our Equalities Policy and our Relationships Rationale and we will then review and update these.

Some dates for your diary...

28/3/24

Easter Raffle

School and Nursery close at 2.30pm for our Spring holiday

Thursday 14th March

Rangers have a home fixture on this date with an early kick off. The playground is used on matchdays for cars and they will be arriving from 3.40pm. The area around the school will be very busy therefore I would plan to come on foot to collect your child on that day, if possible.

NO EXTRA TIME CLUB

NO ROCK UP AND RIDE

Dance club will be on in the hall and children will be escorted to the front gate at 4pm for collection.

Pre-Loved Shop

The shop is open from 2-3pm on a Monday. It is also sometimes open when we have family events. Parents **SHOULD NOT** be in the Pre-Loved Shop unaccompanied. If you would like to shop out with the opening times, please go to the school office and they will organise a member of staff to go to the shop with you.

Writing Week

In classes there has been an enhanced focus on Writing this week. This tied in with the focus on reading yesterday for World Book Day. Look out on your child's class Twitter page as there has been lots of excellent work going on.

P1 and P2/1 Park Visits

P1 and P2/1 have begun to visit the park again on a Wednesday morning. Please make sure your child is suitably dressed for this. Parent helpers are always needed so if you can help, please let Mrs Shah or Ms McGettigan know.

School Lunches

School lunches are free for all children in P1-5. The cost of a school lunch for children in P6&7 who pay is £1.90. The dinner hall is now "cash free" - ParentPay should be used to pay for lunch. **ParentPay should also be used to order your child's lunch.**

Keeping Everyone Safe at Ibrox

ALL VISITORS / PARENTS MUST REPORT TO THE SCHOOL OFFICE WHEN THEY ARRIVE IN SCHOOL.

There have been a number of situations recently when visitors to the school have been in the school without reporting with the school office. In order to keep everyone safe we must know who is in the building at all times.

NUT FREE SCHOOL

Can I please remind all families again that we are a nut free school. Please **DO NOT** send your children to school with any foods containing nuts. If your child comes to school with food that contains nuts it will have to be taken from them and a replacement snack will be provided. We really appreciate your support with this matter as it will ensure our children with allergies are kept safe.

BIRTHDAY CAKES

Due to a number of different allergies and dietary requirements we are unable to give out any cakes or sweet treats in school. We appreciate children would like to celebrate their birthday in school with their friends. This can be done in other ways.

VERMIN

We continue to have issues in our playground with unwanted visitors. Please be assured that we are following council procedures and the situation is being dealt with.

PLAYGROUND

Please remember, adults should not be in the playground before or after school unless looking to speak to a member of the management team, go to the school office or there has been a prior arrangement made with a member of school staff.

Breakfast Club

Our breakfast club is open from 8am each day. The cost is £2. For any additional children the cost is £1. Children who attend breakfast club are supervised until 8.45am when they go outside.
